Andrew,

All changes are highlighted in yellow. Grateful if you can please review and forward to DGO as soon as possible as Greg wants to send this revised report (as well as revised Haiti report and Somalia report) to committee members by cob today.

Thanks,

Lisa,

The TSR advisory is on Thursday PM. We will need to send out by Monday PM at the latest the attached (once I approve).

I recall we also had follow-up actions on DRC but do not see a revised report.

Andrew/Chris - I know DFAIT came back with a revised view on DRC - are we addressing this in a report? In a note to the cmt? This was also an outstanding one to close off. Also, could Placid put together. Very quick (point form) summary of last meeting so we can send out as well. BF - Monday 3PM.

So, for the meeting, we will have 4 agenda items:

1. Review of RoDs from last meeting
- 2 Review revised Haiti report
- 3 Discuss and conclude DRC recommendation
- 4 Discuss recommendation for Somalia

Thanks all.

Thanks.....Greg

Hi Patrick,

I am responding to an inquiry on the DRC and require your input..they are asking how many DRC nationals have been removed since March 2012.

- a. by force?
- b. voluntarily?

Not sure if we can identify this... if not the total number is fine.

Merci

Subject: 2009-2010 Temporary Suspension of Removals (TSR): Democratic Republic of Congo
(DRC)

English Version * La version française suit *****

Hello/Bonjour

Each year, the Canada Border Services Agency reviews the conditions in each country designated under the Temporary Suspension of Removals (TSR) list. The TSR review process, for a specified country, aims at assuring that appropriate decisions are made based on solid research and submissions from other federal departments such as Citizenship & Immigration Canada (CIC) and non-governmental organizations.

It is in this context that we request your submissions for the **Democratic Republic of Congo (DRC) no later than March 15, 2010**, as the review for this country is scheduled for **March 31, 2010**.

Your participation in the consultation process is of prime importance, in order to allow the Advisory Committee to fully assess the conditions in the country under review. Please find attached some background information and the factors for consideration under the TSR program to assist you in preparing submissions. This document lists questions that the Advisory Committee considers when reviewing the country conditions and making recommendations to the Minister of Public Safety to lift or maintain a TSR.

I would like to take this opportunity to thank you for your participation in this process.

Please do not hesitate to contact me if you have any questions.

Sincerely,

Bonjour,

Chaque année, l'Agence des services frontaliers du Canada(ASFC) examine les conditions dans chaque pays désigné aux termes d'une suspension temporaire de renvoi (STR). Le processus d'examen de la STR pour un pays spécifique vise à assurer que des décisions appropriées sont prises et sont fondées sur des recherches solides et des soumissions provenant d'autres ministères tels que Citoyenneté et Immigration Canada (CIC) et

des organisations non gouvernementales.

C'est dans ce contexte que nous vous demandons vos soumissions pour la **République Démocratique du Congo** au plus tard le **15 mars 2010**, étant donné que l'examen de ce pays est dû le **31 mars 2010**.

Votre participation dans le processus de consultation est d'une importance capitale afin de permettre au Comité consultatif de bien examiner la situation du pays en question. Vous trouverez ci-joint de l'information sur le contexte du programme de STR afin de vous aider avec vos soumissions. En outre, vous trouverez également ci-joint un document qui décrit les facteurs à considérer pour l'imposition ou la suppression d'une STR. Ce document énumère les questions que le Comité consultatif prendra en considération dans sa prise de décision et recommandation au Ministre de la Sécurité Publique pour imposer ou lever une STR.

Je saisis cette occasion pour vous remercier d'avance pour votre participation à ce processus.

S'il vous plaît n'hésitez pas à me contacter si vous avez des questions.

Sincèrement,

Backgrounder : Temporary Suspension of Removals

- Legislative Framework

Under IRPA Regulation 230(1): "The Minister may impose a stay on removal orders with respect to a country or a place if the circumstances in that country or place pose a generalized risk to the entire civilian population as a result of

- (a) armed conflict within the country or place;
- (b) environmental disaster resulting in a substantial temporary disruption of living conditions; or
- (c) any situation that is temporary and generalized."

- Policy Statement

A temporary suspension of removals (TSR) is a process that relates to generalized risk to the civilian population when specific countries are faced with a catastrophic event. It allows for the temporary interruption of removals to a country or place to ensure the safety of returnees.

Canada has a statutory legislative mandate to remove all persons not admissible to our country. However, conditions of war, or environmental disaster, for example, could warrant a temporary suspension of removals to certain countries or places. The decision to suspend removals is made by the Minister of Public Safety (PS) based on a recommendation from CBSA-CIC advisory committee.

A TSR does not relate to individualized risk, a process covered by individual protection mechanisms as handled by the Refugee Determination process, the Pre-Removal Risk Assessment (PRRA) and the Humanitarian and Compassionate Review process.

A TSR is not a moratorium. The suspension is lifted and removals are reinstated when the situation in the country improves. In order to preserve the safety and security of Canadians and the general public, individuals who are criminals, have committed war crimes or crimes against humanity and people who constitute a risk to Canada's national security or who return to their country voluntarily, do not benefit from a TSR.

- Countries Currently Under TSR

Afghanistan, the Democratic Republic of Congo, Haiti, Iraq, and Zimbabwe.

Fiche informative :
Suspension temporaire des renvois

- Cadre législatif

En vertu de la Réglementation 230(1) de la LIPR : « Le ministre peut imposer un sursis aux mesures de renvoi vers un pays ou un lieu donné si la situation dans ce pays ou ce lieu expose l'ensemble de la population civile à un risque généralisé qui découle :

- a) soit de la présence d'un conflit armé dans le pays ou le lieu;
- b) soit d'un désastre environnemental qui entraîne la perturbation importante et momentanée des conditions de vie;
- c) soit d'une circonstance temporaire et généralisée. »

- Énoncé de politique

La suspension temporaire des renvois est un processus relié au risque généralisé envers la population civile lorsque des pays font face à un événement catastrophique. Ce processus permet l'interruption temporaire des renvois vers un pays ou lieu pour assurer la sécurité des personnes renvoyées.

En principe, le Canada renvoie des personnes dans tous les pays. Il arrive, toutefois, que les conditions d'une guerre dévastatrice, ou d'une catastrophe naturelle causant des dommages ayant un impact généralisé sur la population civile justifient la suspension temporaire des renvois vers un pays donné. La décision de suspension temporaire des renvois est prise par la ministre, en fonction de la recommandation faite par l'ASFC.

La suspension temporaire des renvois (STR) n'est donc pas un risque individuel, lequel est pris en compte par les mécanismes de protection individuelle comme la détermination du statut de réfugié, l'Évaluation du risque avant renvoi (ÉRAR) et l'examen des considérations humanitaires.

La STR n'est pas un moratoire. La suspension cesse et les renvois reprennent quand la situation du pays s'améliore. Toutefois, pour sauvegarder la sécurité des canadiennes et canadiens, cette politique ne s'applique pas aux individus ayant des antécédents criminels, qui représentent un danger pour la société canadienne, ou aux criminels de guerre ou aux personnes coupables de crimes contre l'humanité.

- Pays bénéficiant de la STR

Ces pays sont l'Afghanistan, Haïti, l'Irak, la République démocratique du Congo, et le Zimbabwe.

Factors For Consideration

I. The Regulations: Stay of Removal Orders

230. (1) The Minister may impose a stay on removal orders with respect to a country or a place if the circumstances in that country or place pose a generalized risk to the entire civilian population as a result of

- (a) armed conflict within the country or place;
- (b) environmental disaster resulting in a substantial temporary disruption of living conditions; or
- (c) any situation that is temporary and generalized.

II. Criteria for Assessment

1) Political Climate

- Is the country currently in a state of war or generalized civil strife?
- Is the crisis generalized or limited to certain regions?
- Are conditions forcing large numbers of people to flee for their lives and abandon their homes and belongings?
- What is the estimated level of risk to civilians?
 - Is the violence random or generally prevalent?
 - Is the violence affecting innocent civilians throughout the country?
 - Is there a risk that non-combatant civilians will be killed or seriously injured?

2) Environmental Disaster

- Does a condition of natural disaster exist (e.g. earthquake, flood)?
- Is the disaster impacting the entire country or a segment of the country?
- Are current conditions forcing large numbers of people to flee for their lives and abandon their homes and belongings?
- Do people have sufficient means to survive (shelter, food, access to basic medical care)?
- Would the return of persons from abroad place an undue additional burden on the capacity of the government to respond to the disaster situation?

3) Accessibility

- Are international airlines operating to the country?
- Are commercial transportation companies (air, rail, bus) operating within the country?
- Are individuals travelling to the country for family visits, business or tourism?
- Is there an international presence in the country (e.g. foreign missions, UN force, aid organizations, etc.)?
- Can returnees travel safely from their point of arrival (usually the capital city) to other regions of the country?

4) Practices of Other States (Regarding Removals to the Country)

- Are other like-minded states currently removing to the country?

Facteurs à Considérés

I. Les Règlements : Sursis temporaire des renvois

230. (1) Le ministre peut imposer un sursis aux mesures de renvoi vers un pays ou un lieu donné si la situation dans ce pays ou ce lieu expose l'ensemble de la population civile à un risque généralisé qui découle :

- a) soit de la présence d'un conflit armé dans le pays ou le lieu;
- b) soit d'un désastre environnemental qui entraîne la perturbation importante et momentanée des conditions de vie;
- c) soit d'une circonstance temporaire et généralisée.

II. Critères d'évaluation

1) Climat Politique

- Le pays est-il à l'heure actuelle en état de guerre, ou au prise avec des conflits sociaux graves?
- La crise est-elle généralisée ou circonscrite à certaines régions?
- Les conditions forcent-elles un grand nombre de personnes à fuir pour leur vie, abandonnant leurs foyers et leurs biens?
- Quel est, selon vous, le niveau de risque à la population civile?
 - S'agit-il d'une violence généralisée et aléatoire?
 - Cette violence touche-t-elle des civils innocents partout dans le pays?
 - Y-a-t-il un risque que des civils non combattants soient tués ou grièvement blessés?

2) Catastrophe naturelle

- S'agit-il d'une catastrophe naturelle (tremblement de terre, inondations, etc.)?
- Le désastre s'étend-il sur tout le pays ou une partie du pays?
- Les conditions actuelles forcent-elles un grand nombre de personnes à fuir pour leur vie, abandonnant leurs foyers et leurs biens?
- Les personnes ont-elles des moyens suffisants pour subvenir à leurs besoins (logement, nourriture, accès aux soins médicaux de base)?
- Est-ce que des renvois interviendraient à un moment inopportun, réduisant la capacité de réponse des pouvoirs face à la catastrophe?

3) Accès

- Y-a-t-il des compagnies aériennes internationales desservant ce pays?
- Y-a-t-il un transport commercial (avion, train ou autobus) desservant ce pays?

- Pour quelles raisons voyage-t-on dans ce pays : visites à la famille, affaires ou tourisme?
- Y-a-t-il une présence internationale dans ce pays (missions étrangères, forces de l'ONU, organismes caritatifs, etc.)
- Les personnes renvoyées peuvent-elles voyager en toute sécurité de leur point d'arrivée (la capitale le plus souvent), vers d'autres régions du pays?

4) Pratiques d'autres pays (au sujet des renvois vers le pays)

- Existe-t-il des pays amis pratiquant actuellement des renvois vers ce pays?

Steve, Laura,

On another topic, removals to the DRC, have you heard anything for our colleagues at NHQ following our meeting in December?

I am in contact with our mission in Kinshasa quite often and the situation there appears calm. I am planning a visit in March (18-22) and besides training for the DGM (immigration), it would be nice to coordinate removals at that time like Eric Gagnon did in the past.

Kindly advise.

Bonjour Philippe,

Tel que mentionné, nous vous demandons de ne pas divulguer d'information sur ce projet de délégation pour le moment.

Il est également prématuré de présumer que les premiers renvois auront lieu en juin 2014 car nous sommes au début de l'organisation de la délégation et les dispositions pour l'émission des documents de voyage ne sont pas encore déterminés.

Je me ferai un plaisir de vous informer des développements au fur et à mesure que les détails se préciseront.

Merci Josée, bonnes nouvelles et bonne année aussi (en Europe et beaucoup d'autres pays, les vœux se souhaitent tout le mois de janvier).

Dans ma planification de voyage pour la nouvelle année fiscale, je vais inclure une visite à Kinshasa supplémentaire pour être sur place lors des premiers renvois (probablement en juin 2014).

J'ai planifié une visite à Brazzaville (l'autre Congo) et à Kinshasa en mars 2014 (du 17 au 21) pour liaison et formation. De plus nous avons un nouveau chef de mission en RDC et il est important de le rencontrer.

Tenez-moi au courant des développements.

Good morning all,

Good news, we have received the approval and budget allowance for the Congo Delegation Project by Senior Management.

Before we can provide dates and more information, we need to meet with the Ambassador to identify the guests from Kinshasa's "Direction des Migrations" and have their availabilities to start the reservation process. Given the preparation of this trip (reservations, visas for the guests, call-in letters for the clients, etc.), we do not expect this will happen before March.

In the meantime, it is now time to prepare the cases that were not already included in the binder presented at the Embassy. The final binder should be presented to the Ambassador at our meeting next week so they can start the verification process ahead of the trip. Consequently, you will find enclosed the final list of cases as verified by the regions recently. All cases that are not highlighted are not in the binder and we need to receive the documentation no later than Tuesday, January 28, 2013.

As a reminder, the required documents are:

- Case summary in WORD version (template enclosed)
- Copy of removal order (scan)
- Photo of subject (scan)
- Copy of all identification documents (scan)

IMPORTANT:

- Please ensure that all cases on the list are still removal-ready
- Additions to the enclosed final list will not be possible at this point (if something very exceptional, please contact me asap)

We will keep you informed as soon as more details will be available . Thank you for your cooperation.

For approval

**REQUEST FOR APPROVAL TO HOST A DELEGATION
FROM THE DEMOCRATIC REPUBLIC OF CONGO TO CONDUCT
INTERVIEWS IN CANADA**

For the Vice-President

PURPOSE

To seek your approval to host a delegation from the Democratic Republic of Congo (DRC) to conduct interviews in Canada with inadmissible DRC nationals and to facilitate the issuance of travel documents so that such individuals may be removed.

ISSUE

BACKGROUND

There is currently a temporary suspension of removals (TSR) to the DRC; however, this does not apply to individuals who are criminally inadmissible to Canada and those who want to return voluntarily.

There are approximately 48 Congolese nationals with criminality, six of whom are in detention, are ready for removal and require travel documents from the Embassy. In 2011 and 2012, only ten travel documents were issued by the DRC Embassy in Canada and a total of 23 individuals were returned to the DRC during this time.

PROTECTED B

The Canada Border Services Agency (CBSA) and the Department of Foreign Affairs, Trade and Development Canada met with the DRC Ambassador in April 2013. At this meeting, 25 cases were presented for verification and approval. While all the documents were sent to the DGM in Kinshasa by the embassy, no travel document approvals have been received to date.

STATUS

Hosting foreign government representatives to interview their nationals and issue travel documents has proved to be successful. The CBSA hosted two Vietnamese delegations, in 2012 and 2013, which resulted in a total of 84 travel document approvals, reducing the inventory from 168 in 2011 to 45 today.

In October 2013, the DRC Ambassador expressed his willingness to assist the CBSA in resolving these cases and has raised the issue with officials at the DGM. He advised that they would like to interview each of their nationals as he believes this would achieve greater results. While the Embassy could pay some of the costs, he asked if the CBSA could cover the costs associated with the travel for two Congolese officials with the authority to conduct the interviews and issue the travel documents. The CBSA committed to seek authorization and approval to host a delegation to interview the 48 Congolese nationals, for which a proposed visit agenda is attached (Attachment 1).

The costs for three Congolese officials (two from DGM in Kinshasa and one from the Embassy in Ottawa), and one supporting CBSA employee to travel to Montreal, Calgary and Toronto for the purposes of conducting interviews over seven working days, are estimated at \$30,307 (Attachment 2).

PROTECTED B

NEXT STEPS

Your approval is sought to host the delegation in Montreal, Calgary and Toronto and to incur \$30,307 in travel expenses for the proposed Congolese delegation to travel to Canada in February 2014. A letter of invitation will be issued to the Embassy of the DRC and travel arrangements will be made for the Congolese delegation and accompanying CBSA personnel.

Enforcement and Intelligence Operations Directorate
